

Insects

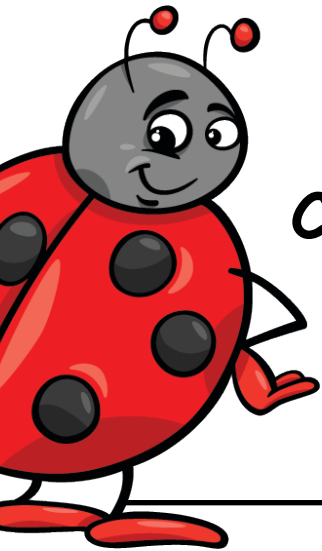

Activity For Reception/ Y1/ Y2

On a piece of paper start by listing out as many mini beasts as you can. Then read the mini beast MTY Minibeast poem for ideas.

Time To Get Creative

Look around for things that you can make sounds to represent **each of the mini beasts such as a Ladybird for example** (you can use your voices, body sounds or any other resources close by - pencils, books etc). Practise making different sounds with the resources you have chosen.

Can You?

- * Make your sound
- * Make your sound fast/ slow/ loud/ quiet
- * Draw a symbol for each sound you make.
- * Add a word to your symbol
Fast, slow/ loud/ quiet.
- * A single symbol for a short sound and lots of the same symbol for a long sound.

Create a graphic score

- * Use your symbols and make a graphic score showing when each sound is to play

Extra Activities

- Make up your own mini beast poems
- Listen to "Flight Of The Bumblebee" (Youtube)
