

MTY Early years Animals

Can we read these Animals poems and think of making sounds for some of the words.

<< Mr Lion

I'm a tired lion with a long furry mane
And when I open my jaw wide.
You can see right inside.
I like to sleep for most of the day. (big yawn)
Except when my wife catches some prey.
And then I grab what I can eat (one clap)
And take it far away .

We are a train of elephants
We sway our trunks from side to side
And march along with trumpeting sounds. (toot, toot)
We love our babies who follow in line
But keep them safely in the middle
So they don't stray too away
They learn the rules to stay in time
With the elephant stomping beat. (clap, stamp, clap, stamp)

<< Elephants

'Squawk' I say and 'What's your name?'
(What's your name ? What's your name)
My feathered wings so brightly coloured
With reds and yellow and green and blue.
I sit proudly at the zoo.
My perch is high but I don't fly.
Just sit and listen to your voice.
'Isn't she pretty' Isn't she cute,
Isn't she funny' 'What a hoot' (hoot, hoot)
But if my luck is in today.
I'll stretch my wings and fly away. (whoosh)
