

# #1 MTY Crossword

## The Orchestra

Can you answer all of the questions below?

### Across

- 6 a low string instrument which you must play sitting down, held between your legs
- 7 a mid-range woodwind instrument with a double reed
- 8 this instrument is a three-sided shape
- 10 the lowest string instrument, so big it's taller than humans
- 12 this brass instrument curls around on itself, making a circular tube
- 15 tap these wooden sticks together to make a sound
- 16 the mid-range string instrument
- 17 wooden bars are struck by beaters to make a sound on this instrument
- 19 a high-sounding brass instrument that often plays fanfares

### Down

- 1 these large drums play pitched notes
- 2 the highest string instrument which rests between the player's chin and shoulder
- 3 a mid-range woodwind instrument with one reed
- 4 these large disks clash together to make a big crashing sound
- 5 a silver, high-pitched woodwind instrument with a mouthpiece that you blow over
- 9 metal bars are struck by beaters to make a sound on this instrument
- 11 a low-sounding brass instrument with a long tubular slide to alter pitch
- 13 the leader of the orchestra who stands at the front, often waving arms about
- 14 a low-range woodwind instrument with a double reed
- 18 there are lots and lots of strings on this instrument which you only pluck to play
- 19 the lowest and biggest brass instrument
