

# Building Learning Power

*We are learning to learn*

# Enjoying the feeling of learning just like *Robin Resilience*

# What is absorption?

*Being involved and enjoying what you are learning about.*

How do you know these children are absorbed?

I am feeling...

How do you know this child is absorbed?

I am feeling...

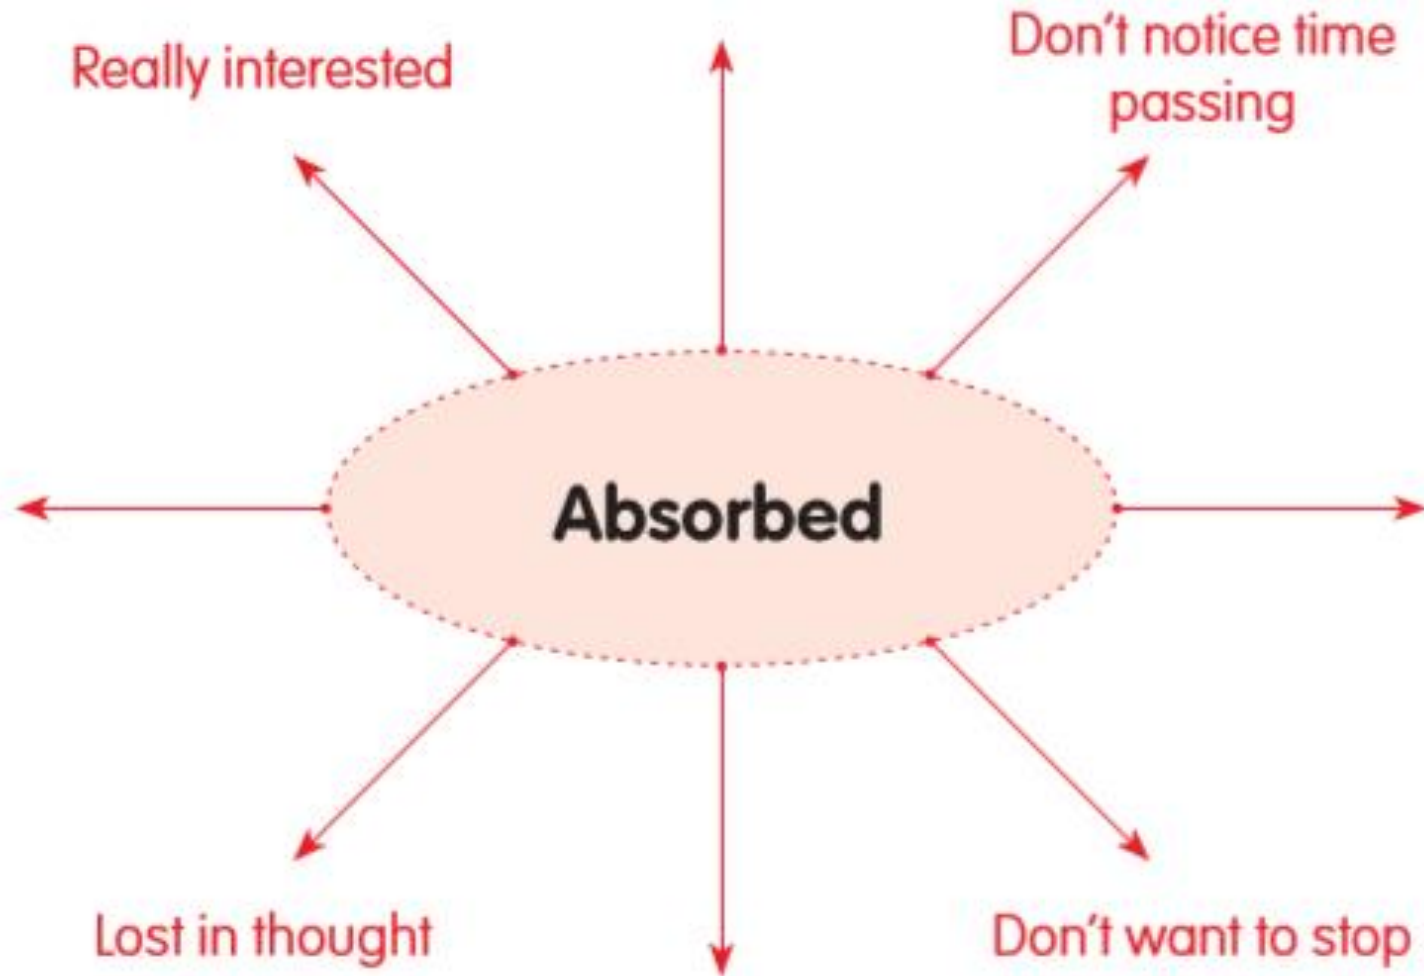

How many  
cubes can  
you see?

What do  
you notice?

*When you are absorbed in something,  
how do you show this?*

*Is something boring because of it or because of you?*
